Cybersecurity

YOU are the best defense in protecting your accounts and your personal information!

- Do not open emails from someone you don't know. Spam and delete them.
- Never provide personal information by email such as Social Security number, account numbers, birth date, etc.
- Never click on a link in an email. Sometimes even friends' emails can be hacked. If you receive an email with a link that seems strange...delete the email and let your friend know.
- When shopping online, be sure the site is protected with the lock icon.

Verification of Accounts Performed

A verification of member accounts was performed by our CPA/auditing firm, Financial Standards Group. If you receive correspondence from them, please reply.
