

Penny Savers Club™

Pennywise

Backpack Savings

You could be the winner of a backpack filled with school supplies!

From now through August 25th, every time you make a deposit of \$5 or more in your Penny Savers account, you'll receive an entry into the drawing for a backpack filled with school supplies.* Start saving today!

The more deposits you make, the more entries you receive (one entry per day please).

**Open to all Penny Savers account members ages 12 and under. No purchase necessary.*

Simple Savings Tricks!

Is it easy or hard for you to save money? If you make a plan first, and stick to that plan every time you get money, we know you'll be excited when you see how much you can save!

- \$** Get three jars and put these labels on them:
Save & Grow – The amount that you'll put in your Penny Savers account.
Give – Money to donate or to buy gifts for others.
Spend – The amount you want to have available to spend.
- \$** For your Save and Grow jar, set a goal and even write that goal on your label. For example, if you wanted to save \$100, and you saved \$6.25 each week, it would take you four months to reach your goal.
- \$** Shop smart. When you're ready to buy, don't pay full price. Ask your parents to help you find sales and search for a better deal, and look for coupons for certain stores. When you find discounts, that's like saving too.

*Good savings habits will last a lifetime.

A Great Summer Treat!

The Best Hamburger Cookies Makes 12 Cookies

- 24 vanilla wafer cookies
- 12 chocolate covered round mint chocolate wafer cookies
- 1/4 cup green tinted shredded coconut
- Light corn syrup
- Sesame seeds
- 1 tub prepared white frosting mix

To tint coconut, place coconut and 2 to 4 drops of green food color in a jar or re-sealable plastic bag. Screw on lid, or seal bag, and shake until coconut is colored evenly.

- For each hamburger cookie, spread about 1/2 teaspoon of white frosting (for mayonnaise) on flat side of 1 vanilla wafer.
- Place 1 teaspoon coconut and 1 mint cookie on frosting.
- Spread flat side of second vanilla wafer with about 1/2 teaspoon frosting; place frosting side down on mint cookie.
- Brush top of "hamburger" with corn syrup; sprinkle with sesame seeds.

Enjoy!
